

CollegeKeys Compact™

Statement of Beliefs

In recognition of the right of every student to prepare for, enroll in, and succeed in college, as a member of the College Board's CollegeKeys Compact, we believe that

- All students are capable of being prepared for college and that educators, families, communities, and policymakers have the responsibility to ensure that all students, including those from low-income backgrounds, graduate from high school ready for college success.
- All qualified students from low-income backgrounds should receive particular consideration in recruitment, admissions, and financial aid, and that colleges and universities should make every effort to meet the financial needs of this population in ways that make enrollment and full participation in the college experience possible.
- Colleges and universities have a responsibility to provide essential academic support, financial aid, and targeted social and emotional support to ensure that all enrolled students will have every chance to succeed in their chosen academic programs.
